Programme

The actual programme may vary depending on the number and needs of pupils, length of visit and weather conditions on the day.

Welcome

A CEES teacher will welcome your group to Burwell House. An introductory presentation will focus on the growth of the Roman Empire and how continued archaeological work develops our understanding of Roman times.

Morning

Pupils will adopt the role of apprentice Roman auxiliary soldiers. They will be divided into ‘cohorts’ and will be issued with Roman tunics and Roman names. Each cohort will be led by a ‘signifer’ (standard bearer). Marching practice will take pupils outside, where each cohort will tackle a number of Roman challenges, including chariot racing.

Afternoon

This is a workshop session with a variety of practical activities related to Roman times, including: identifying, examining and sketching Roman artefacts; preparing a Roman delicacy; writing sums in Roman numerals using wax tablets; and decorating a clay tile, inspired by Roman mosaics.

Review

Prior to departure a rousing chorus of ‘Ardeat Roma’ will be followed by a chance to reflect on the day.
