## Day Course Information:

# Warriors and settlers . . .

## A Viking Experience at KS2

### Curriculum focus - History

A depth study of Viking invaders and settlers

#### Aims

- ✓ To ask and answer questions about Vikings using appropriate vocabulary.
- ✓ To create Viking-style artefacts using a variety of materials.
- ✓ To understand Viking legends and customs.
- ✓ To experience aspects of social and cultural life in Viking times.

### Programme

*The actual programme may vary depending on number and needs of pupils, length of visit and weather conditions on the day.*

#### Welcome

On arrival a CEES teacher will welcome your group to Burwell House and describe the day's programme. A brief presentation will then be used to introduce or re-visit the Vikings, including who they were, where they came from and why they came to Britain.

#### Morning

Young Vikings are given a series of challenges to tackle in order to earn their rune stones which will gain them admission to the seasonal festival celebration at the end of the day. Activities may include making a Viking sword or axe, designing a model Viking boat in clay and, working as a team, overcoming obstacles and challenges to catch eels for the feast.

#### Afternoon

Leading up to the celebration the children will have an opportunity to practice their rowing skills and they will prepare snacks to share at the celebration. After deciphering their rune stones they will join the celebration where there will be Viking songs and dramatic presentations featuring the Viking gods.

**Review** Prior to departure there will be an opportunity to review and reflect on the day.
