

Eco Art and the environment at KS1 and 2

CEES at Stibbington Centre

If requested a "mix & match" programme of learning activities from different day courses may be selected.

To reduce travel costs it may be possible for 2 classes from the same school to follow 2 different courses on the same day.

At KS1 & 2, CEES Day Course themes at Stibbington Centre, Burwell House, Wisbech Castle and Vine House Farm include:

Science

Exploring the environment
Rocks & soils
Energy & renewables
Habitats & food chains
Plants & minibeasts
Crime Scene Investigation

Geography

Map skills & location
Weather & climate
Exploring a locality
Rivers & water

History

Romans Vikings
Victorians WWI
WW2 Evacuation

Art & design

Eco Art & the environment

English & maths

... outdoors

Day Course Information:

Curriculum focus - Art & Design KS1 & 2

Aims

- ✓ To extend knowledge and understanding of colour, pattern, shape and texture in the environment.
- ✓ To work creatively with a variety of materials to design and make artworks inspired by the environment.
- ✓ To examine and evaluate the work of artists such as Andy Goldsworthy
- ✓ To review their work, and to compare ideas, methods and approaches in others' work.

Programme *When there are two classes the welcome will be common to both. Classes then separate and sessions A and B are interchangeable before and after lunch. The programme may vary depending on the number and needs of pupils, length of visit and weather conditions.*

Welcome

A CEES teacher will welcome your group to the Centre and describe the day's programme. An illustrated talk will then be used to introduce the theme of art through the environment including, colour, shape, pattern and texture in the natural environment.

Session A

This session involves exploring the environment at Stibbington Centre's Nature Reserve (KS2) or Stibbington Hall (KS1), where pupils will look closely at the world through a variety of activities. These may include using colour matching in nature, designing mini-mosaics, following a photo trail, making environmental picture frames and weaving using natural materials (KS2).

Session B

The children will follow a trail around Stibbington's extensive grounds to create a natural art sculpture. Inspired by the artist Andy Goldsworthy, pupils will design their own environmental exhibition. Other activities may include: clay work, leaf chains, leaf windows, printing and photograms,

Review

Prior to departure there will be an opportunity to reflect on the day.

Risk Management

See separate "**Guidance notes for safe and effective Day Courses**"

Supervision: For this Day Course our recommended adult:pupil ratio for safety is 1:6 (KS1), 1:8 (KS2) in pre-arranged working groups. When walking and working in small groups, pupils are instructed to stay close to their supervisory adult.

Weather conditions: CEES teachers are aware of daily weather forecasts and may adjust programmes depending on weather conditions on the day. See separate guidance on outdoor clothing and footwear.

Walking beside water: Clear instructions are given on safe standards of behaviour beside water..

Walking along village roads: Pupils walk in single file or not more than two abreast. Group leader walks ahead of pupils with one adult at rear and others walking with their group.

Equipment: Instructions are given on the safe use of all equipment.

Unfamiliar surroundings: Pupils are made aware of safe standards of behaviour and are closely supervised by adults at all times.
